

# DAISY & The Gumboot Kids

## Step 1

Head outside and collect some nature treasures from the forest floor, like sticks, leaves, bark, acorns or pinecones. Choose things that you feel are special or beautiful. Only take what's abundant and only take a little.

## Step 2

Choose a stick that is about the length of your arm. Tie a piece of string to the ends of the stick so that you can hang your mobile.

## Step 3

Thread your string through your forest treasures and tie them so that they hang from the stick. Ask an adult if you need help. You can also add other craft supply treasures like bells or beads.

**Remember there is no right or wrong way to make a nature craft, so have fun!**

Nice work, Gumboot Kids! Daisy would love to see what you've made. Share a picture with @GumbootKids @CBCKidsca #GumbootKids #CBCKids
