

DAISY & The Gumboot Kids

DIY Leaf Mandala

Step 1:

Head out on a nature walk and gather some leaves, flowers and pinecones... Anything special that catches your eye. Remember take only what's abundant and only take a little.

Step 2:

Find a patch of grass in your backyard or a park. This is your canvas for the mandala. Place one of the treasures you collected in the middle then place your treasures in a circular pattern around the centre. Go around and around, adding larger circles around the centre until you have completed the mandala.

Step 3:

Take your time as you place your objects.
Breathe deeply, smile, and enjoy the process.

**Remember there is no right or wrong way
to make a nature craft, so have fun!**

Nice work, Gumboot Kids! Daisy would love to see what
