

DAISY & The Gumboot Kids

DIY Bird Cookies

Step 1:

Look in your kitchen for cookie cutters and choose shapes that you like.

Step 2:

Mix about 2 cups of birdseed and unflavoured gelatin with a cup of warm water in a large bowl. Stir it all with a spoon. Place your cookie cutters on a flat surface and fill them with the birdseed mixture. Use your hand to press it down to form your cookie. Use a pencil to make a hole in each cookie so you can hang them up when they dry.

Step 3:

Let your cookies dry completely and then push them out of the cookie cutter. Tie some string through the hole. Now hang your creation on a branch for your bird friends to enjoy!

**Remember there is no right or wrong way
to make a nature craft, so have fun!**

Nice work, Gumboot Kids! Daisy would love to see what you've made. Share a picture with @GumbootKids @CBCKidsca #GumbootKids #CBCKids
