

# DAISY & The Gumboot Kids

## DIY Sand Art

### Step 1:

The next time you are at the beach, collect some sand and shells or other small treasures.

### Step 2:

Take your paper, felt pens & glue from your craft supplies. Draw an outline of something that you saw at the beach. Maybe a sea star, a fish or some waves.

### Step 3:

Outline or fill in your shape with glue. While the glue is still wet, sprinkle glitter, sand, shells and other treasures on top. Carefully shake off any excess sand and let dry.

**Remember there is no right or wrong way  
to make a nature craft, so have fun!**

Nice work, Gumboot Kids! Daisy would love to see what you've made. Share a picture with @GumbootKids @CBCKidsca #GumbootKids #CBCKids
