

DAISY & The Gumboot Kids

DIY Nature Wand

Step 1:

Head out on a nature walk and collect a couple of twigs, sticks or small pieces of driftwood.

Step 2:

Look through your craft supplies and collect some wool, ribbon or embroidery thread. Choose different colours and textures. Imagine what you would like your rainbow wand to look like.

Step 3:

Wrap your ribbons or yarn around & around your stick until it looks like a colourful rainbow. What else could you add?

Pompoms or buttons might be nice. Take your time and enjoy yourself! Once you are done, your rainbow wand is ready to play with.

**Remember there is no right or wrong way
to make a nature craft, so have fun!**

Nice work, Gumboot Kids! Daisy would love to see what you've made. Share a picture with @GumbootKids @CBCKidsca #GumbootKids #CBCKids
