

Step 1

When you're out on a nature walk collect a couple of twigs, sticks or small pieces of drift-wood.

Step 2

Gather your craft supplies, like wool, ribbon or embroidery thread. Choose different colours and textures. Imagine what you would like your rainbow wand to look like.

Step 3

Wrap your ribbons or yarn around and around your stick until it looks like a colourful rainbow. What else could you add? Pompoms or buttons are fun. Take your time and enjoy yourself!

Remember there is no right or wrong way to make a nature craft, so have fun!

Nice work, Gumboot Kids! Daisy would love to see what you've made. Share a picture with @GumbootKids @CBCKidsca #GumbootKids #CBCKids
